

## Quest Apartments Glen Waverley, VIC Front Garden & Nature Strip

Commercial Builders - Pellicano Group

*"Pellicano Group looks to Gecko for commercial landscaping solutions"*

The Pellicano Group employed Gecko to fulfill their landscaping surface requirements at the recently built "Quest Apartments" in Glen Waverley.

Matt Norris from the Pellicano Group searched for a quality supplier and installer of synthetic grass for their most recent building project and couldn't go past Gecko. He commented: *"Gecko has not only provided us with a quality product but it's also a professional company that is extremely easy to get along with. The project was well managed and hassle free. I will continue to use Gecko for future projects"*

The Quest Apartments
